

Mental Health Coordinator | FAQ

Ashley Hammond is a Licensed Clinical Social Worker (LCSW) with over 10 years of experience. She has experience with individuals and families from diverse backgrounds.

How Can I Connect?

Ashley may, as available, meet with you one-on-one in-person, by phone, or by email to determine what agencies or resources can meet your needs.

What does the Mental Health Coordinator do?

Using her expertise, Ashley guides and connects individuals and families in the library with agencies and resources in the community that meet their unique needs. Ashley also works to build partnerships and collaborate with agencies in the community to better understand and respond to the needs of the community. Ashley may refer you to social service agencies, but does not provide counseling, therapy, or case management.

What Can I Expect from Meeting with the Mental Health Coordinator?

You can expect to be treated with respect and your presenting concerns to be taken seriously. Ashley will ask your permission to share your information with local agencies in an effort to connect you with the resources you are seeking. Ashley takes the confidentiality of your information seriously and will only share it with your permission and as required by law.
