CONTINUING EDUCATION

The Board encourages the personal and professional development of staff members through participation in civic, educational, and professional organizations. Attendance at library institutes and the conferences of library associations may be financed within the restriction of the Library's budget. Insofar as it is feasible, attendance at conferences will be rotated among eligible staff members.

All non-probationary members of the staff, regardless of job classification, are eligible to apply for permission to attend work-related conferences, workshops, and classes on library work time. Exceptions for introductory or temporary staff may be made at the discretion of the Director or designee. Opportunities for training will involve as many people on the staff as feasible given budgetary and staffing constraints. Priority will be given to training that supports Library strategic plan activities and/or supports an individual employee's approved performance plan for work-related training.
